

My Biography

This book, properly kept, will be cherished in the family, and referred to with interest and pleasure in future years

Put a little paste or mucilage on the back of Baby's photo and place between this and the outside cover so that the head will appear in the opening

Parents desiring a copy of this album can obtain one by addressing Borden's Condensed Milk Co.

At no time of Life is any member of the family wholly independent of milk as food

Sat alone at 5 1/2 mo.

Crept at 6 mo

Walked at 9 mo.

The name Borden stands pre-eminent for all that is good in Milk.

Mitigates annoyances of travelling.

Some Things
I Said and
Did

"Mama 'mon, 'mon. ^{meaning} come on

Before Babies can talk evidence
is given in favor of Eagle Milk.

My Early Education

An Early Autograph

Date

From earliest infancy proper food for
the Baby is of utmost importance.

This and the two following pages are reserved for
snap shot photos made from time to time

Other Important Events

No record excels that of Borden's
Eagle Brand Condensed Milk.
