

Dear Sen & family:

Upland Calif
Dec 6/59

Answering your questions.

Buff & Frances are coming right after Christmas at home. Frances probably here by Tues of week between Christmas & New Yrs. I believe Buff

said they might get here ^{Sun} ~~Mon~~ ^{with} ~~Tues~~.

Both plan to drive right thru except the Walls plan to get a motel on route.

We are sending "Mr & Mrs Robt Wren" an invitation to the affair. Yea Bob has re-married & she seems to be a thoughtful woman. She has sent mother, at mother's request, Virginia's music & wrote asking for the names & birth dates of all Kris & Craig's cousins so that she could have the boys remember them.

Don't do anything to jeopardize your reservations on the plane as we are counting on you all being here. The money was sent the other day.

We are mailing out approximately 125 invitations like this one and there will be an announcement

P.S. Can you bring me two pr. of tab's, page 11. Perhaps more.

& in the church bulletin at the appropriate time. Next Sunday our pastor will give the congregation a hint that Jan 2d 1960, in the afternoon there will be important docu's at the Church & for them to circle the date, etc

We haven't written the Brewers, but plan to mail them an invitation.

This is Sunday evening and I stayed home today because of a bad cold - nose running & a cough.

We had high wind Sat most of the day but lovely now. Temp 75° to day noon outside.

Adios for now
Love

Dad & Mother

ps: We plan to have our picture taken before 2 pm on Jan 2d down at the Fellowship Hall. Will try to get a photographer to take care of it. Dad
